In Color Card Instructions

Instructions

- Cut your cardstock and score the Secret Sea card base.
- Stamp the dotted texture stamp all over one of the Basic White pieces with Darling Duckling, Timid Tiger, Strawberry Slush and Cloud Cover (Ink Refill on an ink spot) Classic Stamp Pad.
- Cut that Basic White Piece at an angle down the middle - see template with measurements below.
- Stamp one Coneflower head on each of the triangles in Secret Sea. Stamp them so the center of the cone is at the "peak".
- Color the Coneflower in with the stampin blends. I used multiple colors to get the blended coloring. You can see how I did that in the video.
- Stamp your sentiment with Secret Sea on the center of the middle strip.
- Attach that to the Strawberry Slush cardstock.
- Attach the two triangles on the Strawberry Slush with Stampin' Dimensionals.
- Attach the Strawberry Slush onto the Secret Sea base.
- Attach the remaining white to the inside of the card - I added some texture to the bottom of the piece the same way as the front.
- Attach some 2025-2027 In Color Flat Pearls around the sentiment.
- ENJOY!!
