Trusty Toolbox Fun Fold Card Instructions

- Cut all the paper to the size needed.
- Score your Basic Black base at 2-1/8" and 4-1/4"
- Cut the Pecan Pie in half corner to corner - Top Left to Bottom Right
- Stamp your tools on the scrap Basic White with Memento Tuxedo Black Ink. Set aside to dry well.
- Stamp on the lower left corner of the 4-1/8" x 5-3/8" Basic White your sentiment in Blueberry Bushel, Happy Father's Day in Smoky Slate and also add some nuts and screws randomly in Smoky Slate stamped off.
- Remember that the top right corner will be covered (See photo—>)
- Color in the tools you stamped earlier with Stampin' Blends. I used Daffodil Delight, Blueberry Bushel and Smoky Slate Stampin' Blends for mine.
- Cut those out using the dies from the Trusty Tools Dies
- Using the peg board die cut one half of the Pecan Pie a couple of times creating a peg board. (See photo above for reference)
- Cut the DAD from the Silver Brushed Foil using the Mini Alphabet Dies.
- Attach the Pecan Pie to the Basic White and attach that to the inside of the card.
- Fold your card as you would normally and then fold the 2-1/8" panel back on itself. 
- Attach the Silver strips to the top of the Blueberry Bushel coordinating length strips.
- Attach the Blueberry Bushel to the Basic Black coordinating length strips - only glueing the sides and bottom of each Blueberry Panel - see video!
- Attach the Basic Black strips to the top panel only. Start at the bottom with the longest piece and go up, butting them together, up to the top. This will cover that entire 2-1/8" panel.
- Attach your tools randomly in the drawers. Only glue where they lay across the blueberry and silver.
- Attach your DAD to the bottom drawer.
- Color 2-3 Natural Matte Dots with your Blueberry Bushel Stampin' Blends and attach them to the peg board.
