Stampin' Up! © Coneflower Celebrations Daily Planner Instructions

Instructions

- Cut your cardstock to size.
- Cut out 3 Coneflowers - one from each of the colors.
- Cut out the center of the flower from Early Espresso, the stem and outline leaves in Granny Apple Green and the solid leaves from Lemon Lime Twist.
- Stamp the texture image all over the Basic White Base in Balmy Blue.
- Cut the Basic White piece out into a banner using the second largest die in the Party Banner Set. You will need the larger Stampin' Cut & Emboss Machine for those dies.
- Build the flower in the center of the banner panel you just cut:
 - Attach the stem to the location you want the flower - only glue the two ends down leaving the middle open for the leaves.
 - Attach the flowers together at the tops only, start with the darkest color and build up to the the lightest. Offset them so you can see each layer.
 - Attach the flower center to the top of the flower.
 - Attach the completed flower head to the top of the stem.
 - Attach the leaf outlines to the solid leafs and tuck them under the stem.
- Stamp the sentiment "Inhale. Exhale." in Early Espresso on the lower right corner next to the flower stem.
- Attach the banner piece to the front of the planner with liquid glue or an adhesive of your choice. I used Tear and Tape as the covers are a clear plastic and that was what held the best.
- ENJOY!!
