Stampin' Up! © Rustic Centerpiece Christmas Card Instructions

- Cut your cardstock to size. Score the base at 4-1/4"
- Rough up the edges of the Cherry Cobbler piece by running the edges of the paper in your snips (see video for more detail) or if you have a distressing tool I recommend using that!
- Grab your Soft Sea Foam Stampin' Blends and we will color our Basic White piece.
- Starting from the bottom with the Dark Blend color up about halfway on the paper. Think scribble but fun!
- Do this again with the Light Blend starting from the middle of the paper (over the dark) and go up doing the same method.
- Stamp the Deer and Tree image from the Rustic Centerpiece set with Crumb Cake in the lower right corner where you just colored.
- Stamp only the top of the tree onto one edge of the Soft Sea Foam piece with Soft Sea Foam Ink.
- Attach that to the left side of the Basic White piece you stamped.
- Cut a piece of White Ribbon at about 6".
- Using your Cherry Cobbler Dark Stampin' Blends, color the White Ribbon turning it red.
- Attach the ribbon to the edge of the Soft Sea Foam piece covering the seam.
- Stamp the sentiment "Season Greeting's onto a scrap piece of Basic White with Soft Sea Foam Ink.
- Cut the sentiment out with the smallest die from the Party Banner Dies. Flip the die and repeat this on the top half of the sentiment. This will create a bow look.
- Do the exact same steps with a scrap piece of Cherry Cobbler.
- Using your bone folder, manipulate both the pieces, softening the paper up so it looks more "moveable"
- Attach the white bow to the Cherry Cobbler by glueing only the center and using small Black Dimensionals on the edges.
- Repeat that process for the Large bow attaching it to the upper right corner of centering over the ribbon.
- Attach the White piece to the distressed Cherry Cobbler piece and that to the Crumb Cake Card Base.
- Decorate the remaining white piece and attach to the inside of the card.
- Color in 3 small Rustic Pearls with the Dark Soft Sea Foam Stampin' Blends and attach to th card front.
- ENJOY!!
