Hidden Surprise Card Instructions

Instructions

- Score your DSP:
- 2-3/8" x 12" @ 2-3/4", 5-1/2", 8-1/4" & 11"
- 2-3/8" x 6" @ 2-3/4" & 5-1/2"
- 3/4" x 3-1/8" @ 1/4", 3/8", 2-3/4" & 2-7/8"
- Fold the DSP at the score lines making an accordion style fold.
- Attach the 2-1/4" (left side) Basic White to the 1" tab of the 12" DSP and the 6" DSP 1/2" tab to the back of the White (right side).
- Attach the 3/4" strip to the very last panel. This will create the pocket for your treat. You can adjust the size if needed. The 1/4" tabs on the ends will attach to the back of the panel.
- Attach the Garden Green piece to the backside of the last panel. This is just a reinforcement element.
- Decorate the all the panels with the die cuts from the Specialty DSP. Use dimensionals to add depth with the different elements.
- Punch out a Heartfelt Hexagon from the DSP and another from White. Attach the white to the DSP backside.
- Stamp the sentiment "Special Delivery", "Merry Christmas" and the circle stamp in Poppy Parade on a scrap piece of white. Stamp the paw prints onto the White Hexagon also in Poppy Parade. Stamp "from me to you" and "From the North Pole" in Garden Green.
- Fussy cut out the sentiments and attach all except "from me to you" to scrap pieces of DSP. Fussy cut out the circle element and attach "from me to you" to the center.
- Attach the sentiments to the panels. I have them on every other panel with Merry Christmas on the white panel.
- Attach an image and "From me to You" to the DSP hexagon with dimensionals. Punch a small hole in the top to create a tag.
- Cut the treat box die (don't forget the tap - I used the star) from the 6" x 6" DSP. Fold all the score lines but don't glue anything.
- Attach the last panel of the accordion to the center of the box. Slip in your little treat - a Ghirardelli Chocolate Square fits perfectly! Fold the accordion closed and fold the box around it.
- Wrap the Real Red and White Bakers Twine around the box 2-3 times and tie off in a bow. Slip the tag onto the twine before you tie it off.
- Enjoy!
