## Treat Card Instructions

### Instructions

- Cut paper to size. Score Pretty Peacock base at 5-1/2".
- Attach all the DSP to the Cherry Cobbler matts and wrap 6 Hershey Miniature Bars with the 1-1/4" strips of DSP.
- Attach 3 miniature bars to the 1-1/4" Cherry Cobbler, you will do this twice. Use Tear and Tape to get a strong hold on the bars.
- Attach the strip of miniature bars to the bottom portion of the 4-1/2" square, again using Tear and Tape.
- Stamp your sentiment with Cherry Cobbler onto a scrap Basic White and fussy cut out.
- Stamp another sentiment and decorate a corner on the Basic White 3-3/8" piece (this is the "inside of the card). Attach that to the 3-1/2" Cherry Cobbler.
- Stamp a jar and lid in Memento Tuxedo Black. Stamp the snowman inside the jar also with Memento ink.
- Stamp the scarf with Cherry Cobbler ink and snow with Pretty Peacock ink.
- Color the nose with Pumpkin Pie Light Stampin' Blend and the jar lid with Smokey Slate Stampin' Blends Combo Pack.
- Punch the jar out with the Sweet Jar Builder Punch.
- Slip the candy panel into a Clear Medium Envelope and seal it shut.
- Attach the envelope onto the Pretty Peacock base (use tear and tape) and fold the flap over the top of it. Staple it closed (you can seal it with tear and tape if giving to small children)
- Attach one of the 1-1/2" Cherry Cobbler/DSP panels to the top back side of the base.
- Attach the 3-1/2" Cherry Cobbler panel below it.
- Attach the remaining 1-1/2" Cherry Cobbler/DSP panel to the front flap.
- Attach your sentiment to the top and the jar in the center of the candy.
- If you wanted to add some shiny things or ribbon you certainly can!

Happy Holidays!
