Paper: [Cajun Craze 8-1/2" X 11" Cardstock \[119684\]](#), [Old Olive 8-1/2" X 11" Cardstock \[100702\]](#), [Basic White 8 1/2" X 11" Cardstock \[166780\]](#)

Measurements:

- Old Olive: 5-1/2" x 8-1/2", 2-7/8" x 3-3/4"
- Cajun Craze: 2-3/4" x 3-5/8", 2" x 2-3/4", 1-1/8" x 4-1/8" (x4), 3/4" x 2-3/4" (x2)
- Basic White: 1-7/8" x 2-5/8", scraps for sentiment
- Cute As A Bug DSP: 2-5/8" x 3-1/2", 1" x 4" (x4), 5/8" x 2-5/8" (x2), bugs to cut out

Instructions:

- Cut all your paper to size. Score and cut the Old Olive base following the template (pg. 4).
- Cut out the caterpillar and aunts with the coordinating dies.
- Fussy cut out the lady bud riding the snail.
- Using the small blending brush, apply a very light layer of Old Olive on the Basic White scrap piece and then stamp the sentiment "Hello friend" onto the paper with Cajun Craze.
- Stamp the trail of feet across the bottom of the 1-7/8" Basic White (along the 2-5/8" edge) with Old Olive.
- Fussy cut out the sentiment, separating the Hello and Friend to make 2 sentiment pieces.
- Attach a piece of the Old Olive Rickrack ribbon to the back of the Hello, trim the edges so they are even with the paper. I highly recommend using Tear & Tape with this ribbon.
- Attach all the DSP to their coordinating Cajun Craze pieces.
- Attach the Basic White to it's coordinating Cajun Craze.
- Attach the largest Cajun Craze to the 2-7/8" Old Olive panel, then attach that to the very back step.
- Wrap a piece of the Old Olive Rickrack to one of the 3/4" Cajun Craze pieces. Again use Tear & Tape for the best hold. Attach this panel to the very front center of the card.

Instructions Con't:

- Attach the Cajun Craze panels to the coordinating places on the card. Pay attention to order placement if you are using the DSP to create a "scene" as I did. Basic White piece is the center section on the inside of the card.
- Attach the Hello sentiment (Tear & Tape) and the snail/ladybug (dimensionals) to the very back step panel.
- Attach one ant off to the side opposite of the snail in the middle step.
- Attach the "Friend" sentiment (Tear & Tape) to the center of the ribbon in the middle.
- Attach the caterpillar to the left side of the sentiment (Dimensionals) and the small ant to the right.
- Attach the remaining ant on the inside of the card.
- Add a few clear epoxy drops from the Ladybug Garden Epoxy Shapes around the card front (which are not in the photo's because I forgot to add them 🤔).
- Stamp your envelope!
- ENJOY!
